Hi Julia, I don't have concerns about EDC joining the call. Thanks for checking. David

Hi David,

Wendy just let me know that the Environmental Defense Center would like to join Monday's briefing – this is a bit out of the ordinary, but as far as I can tell, not against our rules. Are you comfortable with this? I'm more than happy to let Wendy know that we would first like to speak with her, and then perhaps, if appropriate, we can schedule a separate joint briefing with both of them?

Thanks!

Julia

Hi Julia, no one else needs to be on the call. Monday at 1:30 is good. I could do 3pm on Tuesday as backup. Thanks!
David

No problem, I let it slip too. Would anyone else need to be on the call? If no, I can offer Monday at 1:30pm or Tuesday at 3pm? Thanks!

Hi Julia, this slipped past me and I don't think I responded. But yes, this is associated with my program. And Wendy does not have it quite right so we should chat when you have a chance. Thanks! David

Is this for you, or am I pestering the wrong person?

Hi Julia,

I wanted to follow up on my request to Sonam.

I understand that the U.S. EPA is doing a conduit analysis of Cat Canyon related to the Aquifer Exemption.

Do you have any information that you can provide me related to it?

Thank you,

Wendy
